Eastern Testing Services (ETS) has launched a new logo which depicts our focus and commitment to our people, our customers and the communities we work in. The green color of the logo shows our resolve towards the conservation of environment. Oil drop represents the energy sector where we provide unmatched services.

Eastern Testing Services would like to wish all of you a blessed holy month of Ramadan.

5th Anniversary

Eastern Testing Services has completed 5 years of its operations in Pakistan and Kurdistan Region of Iraq. These successful years would not have been possible without the blessing of Almighty Allah and the support of our customers, industrious efforts of our employees and management. A series of events were organized as seen below to celebrate the day.

HSE&Q

Eastern Testing Services has been recommended by world leading auditing company to get Integrated Management Systems (ISO) certifications for better Service Quality and Delivery.

The certification standards are:

Achievements

Eastern Testing Services is highly committed to provide its clients with the state of the art perforation technology. Successfully and effective tubing conveyed perforation was performed at OGDCL Nashpa-3 well using CONNEX charges. To commemorate achieving appreciable result of perforation, ETS has presented the souvenirs to Operator, Joint Venture Partners and the team of professionals involved.

Mr. Imran Qureshi (COO) of ETS presenting Souvenir to Mr. Raja Irfan Nasr - MD, GHPL

Mr. Abdulrazaq Ali (CEO) of ETS presenting Souvenir to Mr. Masood Siddiqui - MD, OGDCL

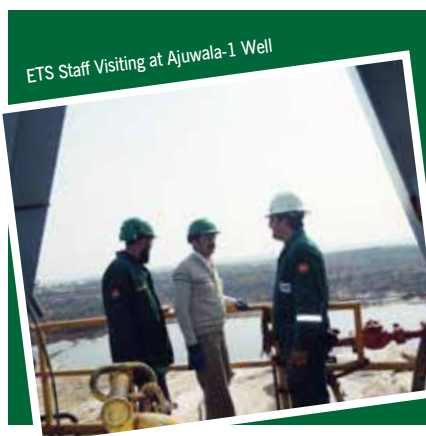

Mr. Imran Qureshi (COO) and Mr. Kifayat Khattak (Dir. Operations) visiting SUI Field (PPL)

Mr. Imran Qureshi (COO) of ETS presenting Souvenir to PPL Representative.

Management Commitment

Management of Eastern Testing Services visited Sui Field on the successful completion of longest ever water monitoring campaign.
